

Virginia Green Events

Springfest Fairfax Lorton, VA

Virginia Green is the Commonwealth of Virginia's campaign to promote environmentally-friendly practices in all aspects of Virginia's tourism industry. **Virginia Green** has established "core activities" specific to each sector of tourism, and these practices are considered the required minimum for participation in the program. However, **Virginia Green** encourages its participants to reduce their environmental impacts in all aspects of their operations, and this profile provides a full list of all their "green" activities. These are the activities that guests / customers can expect to find when they visit this facility.

Springfest Fairfax

Clean Fairfax is an environmental nonprofit whose mission is to encourage environmental stewardship and urban sustainability in Fairfax County, Virginia through education, programming, and community involvement. Clean Fairfax seeks to reduce littering and to encourage recycling, reusing, and reducing consumption, promote community action by supporting clean-ups and adopt-a-spots and serve as a clearing house for environmental information in Fairfax County.

As an environmental nonprofit, we feel it is important to emphasize our mission to our event goers. The best way to remind people that this Earth Day event is a celebration of the environment is to advertise accordingly.

Our event will host local plant sellers and feature a large number of environmentally focused educational exhibits from organizations around Northern Virginia.

 - Glass bottles
 - Aluminum cans
 - Plastic bottles

- Paper
- Cardboard

Minimize the use of disposable food service products.

- Use disposable food service items that are made from bio-based, renewable materials
- Use disposable food service items that are made with recycled content
- Use disposable food service items that are recyclable in your area
- Use compostable food service items and direct this material to available composting operations in your area

Printed Materials.

- Use electronic registration, correspondence, and forms instead of paper forms
- Print brochures and other printed items on recycled content paper
- Use soy-based inks
- Print all documents double-sided
- Purchase/use paper products with 30% or higher recycled-content

Waste Reduction.

- Track overall solid waste costs (*required for Virginia Green*)
- Chose a **location/venue** that shares a similar commitment to reducing its environmental impacts and include green specifics in contracting. Please provide the "green details" on the venue:
- Provide condiments, cream and sugar, etc. in bulk
- Use water pitchers to minimize the use of single-use bottles
- Avoid box lunches and service trays/platters of food instead
- Have a contract for environmentally-friendly, portable restrooms (www.polyportables.com/products.asp)
- Encourage the use of mass-transit and/or carpooling to the event
- Provide for recycling of boxes and other set-up wastes
- Purchase from vendors and service providers with a commitment to the environment
- Other actions taken to reduce solid waste: Styrofoam-free event and free water bar, encourage reusable cups and waterbottles

Green Signage.

- Have a link on our website to the Virginia Green Events webpage
- Have a green event section on our events webpage highlighting all of our green activities
- Have signs at the event registration which list all of our green activities
- Use the Virginia Green logo on signs and on recycling containers
- Have quantified our greening efforts and will post estimates of the reduced environmental impacts (you could use some sort of pollution calculator, such as www.cleanerandgreener.org/resources/pollutioncalculator.l www.cleanerandgreener.org/resources/pollutioncalculator.htm)
- Other actions taken related to green signage: VA Green logo will be added to signage and advertising pending approval
